Following Lines were writ by a young Gentleman reading the News concerning the Taking all the of Carthage by Admiral Vernon.

My Rage and busy Faction sleep,
My Foes ride triumphant o'er the Deep.
My Fleets, bereav'd of promis'd Store,
Anglorious to their native Shore.
My Arms yield immortal Fame,
My Trembles at the British Name.
No more shall mourn a sinking State,
No more shall Plenty fly their ancient Seat.
No more shall anxious Merchants dream of Spain,
No more shall the Refuse of the Main.
Like Britain ev'ry Muse shall sing,
And Triumphs under GEORGE our King.

ringing of Bells, at One o'Clock the Park and

ties of London and Westminster, and the Suburbs there-

of, on that Occasion. The same being the First Day of Trinity-Term, the Lord Chancellor, Judges, &c. went with the usual State to Westminster-Hall; and several Persons who stood bound over for divers Misdemeanours appeared on their Recognizances, and were further continued.

The same Day died Mrs. Hollingsworth, Lady of Col. Hollingsworth, of the Earl of Albemarle's Troop of Life-guards, at his House in Grosvenor-Square.

To the CHAMPION, or his Puff-maker in ordinary.

WHY should you think we VERNON meant to sneer, When our just Thanks we sought to pay him here? If with his Valour WALPOLE's Sense we join'd, 'Twas as the highest Compliment design'd; By diff'rent Ways they equal Conquests gain, In Senties This, and That upon the Main. But you, it seems, another Meaning chose, VERNON engag'd a more honourable Foe. If so, — at least our honest Aim is shown, 'Twas Praise we meant — the Satire is your own.

THAT the Two Medicines

are removed from the Miscellaneous, where they have been the Author, so long, and are now sold only at Mr. Walthoe's, in the Poultry, at 5 s. the Parcel, with printed Directions given with them.

These two Remedies need no other Recommendation, themselves will manifest in two or three Days, using according to their admittance and even astonishing Success, that their reputation they so justly deserve, both in City and Country, after wearing Tissues for many Years to no Purpose.

For by the Blessing of God, they make a perfect Charge, without any Pain to, or Confinement of the Person one Parcel is generally sufficient for a complete Cure, especially on a young Person.

Many Hundreds of all Ages and Sexes have been cured, which occasioned this Publication, for the Good of Publick, that all such unhappy People may be delivered from the Charge and Slavery of always wearing Tissues.

The World might have had many Certificates of the Persons of all Ages, from Children of a few Months to grown Persons of 60 Years or upwards; but they are naturally averse to let it be known, that they are such an Infirmity: Yet Mr. Sandwell can satisfy any quiver of the Validity of what is here said, that he had such large Knowledge, by reason of the first that has sold 'em, as they from whom the Medicines are good Reasons, removed.

No Letters received except Post paid.
